**IUPUI Campus Center, 420 University Blvd. CE 409, Indianapolis, IN, 46202**

# Implementing Systems Change Summit

Listen to leading professionals discuss their successes with systems change in Indiana across arenas of healthcare, public health, and education. Learn about the components, benefits and challenges of systems change and how they relate to the work of the newly evolving Local Community Cadres in Autism. Participate in the change in setting up for the successful future of individuals and families affected by an Autism Spectrum Disorder.

## Invited Speakers

- Dan Evans, CEO and President of IU Health Systems
- Dr. Steve Bogdewic, Ph.D. Executive Associate Dean for Faculty Affairs and Professional Development and the George W. Copeland Professor and Associate Chair of Family Medicine at Indiana University School of Medicine
- Betsy Lee, RN, MPH Director, Indiana Patient Safety Center
- Nicole Norvell, Director of Special Education, IDOE
- Representatives from LCCs: Southern Indiana Chapter and Fort Wayne Chapter

## Local Community Cadres

- Central LCC in Autism
- North Central Regional LCC in Autism, Lafayette Chapter
- Northeast/Northwest Regional LCC in Autism, Fort Wayne Chapter
- Southwest Regional LCC in Autism, Southern Indiana Chapter
- Southwest Regional LCC in Autism, Wabash Valley Chapter
- Southeast Regional LCC in Autism, Bloomington Chapter
